CASE REPORT**NARRATIVE**

Assault

C. Pierce

While on patrol assigned as 4K7 on 01-09-2018 at 1615 hours I was requested via NORCOM to contact a female in the lobby of the police station about an assault that occurred prior.

I then contacted [REDACTED] who related that she is employed at Fairfax Hospital located at 10200 NE 132nd Street, as a [REDACTED] (health care provider). [REDACTED] said that on 01-04-2018 at 0743 hours she was working in the North Unit of the hospital near the dayroom with patients. [REDACTED] said that one patient was being loud and causing a disturbance. [REDACTED] said that she was holding a clip board and doing her rounds on the unit.

[REDACTED] said that a patient she knows as [REDACTED] walked up to her and slapped her on the left side of her face and head. [REDACTED] said that this caused her pain to her face and upper part of her left ear.

[REDACTED] said that this was totally unexpected as [REDACTED] was calm just prior to the assault.

[REDACTED] said that she then went home after the assault.

[REDACTED] said that over the next couple of days this assault caused her to have headaches and become nauseated. [REDACTED] said that she went to the Evergreen Emergency room in Redmond on 01-06-2018 and was diagnosed with a concussion.

I took a written statement from [REDACTED] and included it with this case file. I also filled out a medical release form and [REDACTED] read and sign this form. The medical release form was faxed to Evergreen Medical Center.

I contacted another employee who was also working in the North Unit at the time of assault, [REDACTED] was also working as a [REDACTED] with [REDACTED] and said that on 01-04-2018 at around 0743 hours a patient she knows as [REDACTED] walked up to [REDACTED] and slapped her with an open hand on the left side of [REDACTED] head. [REDACTED] said that the assault was totally unexpected.

[REDACTED] said that the hospital staff had reviewed the video of this incident. I [REDACTED] a copy of this video from the hospital.

CASE REPORT

NARRATIVE (continuation)

I identified [REDACTED] through hospital records and her Washington drivers license information.

On 01-12-2018 I picked up the video of this incident from the hospital. I then down loaded the video from a CD and viewed the video. The video shows the suspect [REDACTED] standing at a window and looking at [REDACTED] [REDACTED] was checking a clip board that she was holding.

As the witness [REDACTED] view you can see [REDACTED] walk the few feet from the window up to where [REDACTED] was standing. When [REDACTED] reached [REDACTED] she used her right hand to slap [REDACTED] [REDACTED] then stepped in and removed [REDACTED] from the room.

The image of [REDACTED] matches the DOL photo and the photo in the departments local records.

I down loaded this video into the case file and placed the CD into evidence.
